### Minors Degree in Computer Science and Engineering

SRKR Engineering College

CGPA : 8.7

2022 – present

Bhimavaram, India

### Intermediate in M.P.C.

Sri Chaitanya Junior College

Marks : 967

2019 – 2021

Palakollu, India

### SSC

ZP High School

CGPA : 9.8

2019

Kodamanchili, India

## Skills

### Web Technologies

- HTML
- CSS

### Tools

- Adobe Photoshop
- Figma
- Android Studio

### Languages

- Python with Basics
- Java with OOPS

## Projects

### Anti-Theft and Status Monitoring Smart Battery System

- Developed an anti-theft and status monitoring smart battery system with IoT integration.
- Enabled real-time battery tracking and management through a centralized web server and a user-friendly Android app.
- Enhanced security features to prevent unauthorized use, ensuring robust battery protection and efficient fleet management.

### User Interface of Eat More

- Designed an interface for Food Delivery App
- It Suggests Chef about Foods based on Customer requirements
